Dear Parent:

The 2008-2009 school year is off to a great start. We are excited to have your child in school and we hope that the school year is a very productive and enjoyable one. We have an excellent educational program, one that will provide your child with every opportunity to learn the skills so essential to be successful in today's world.

As we begin to enter the winter season we wanted to share the procedure the district uses in regards to canceling school due to inclement weather. The decision to cancel school is made by 5:30 A.M. Local media sources are then contacted to ensure that all parents and students are aware of the cancellation. Occasionally the district may also have to release early if inclement weather is approaching during the school day.

Please note that the following TV/Radio stations will have that information:

Radio Stations:

KMMO Radio (FM 102.9 or AM 1300)

KMZU (FM 100.7)

KZBK (96.9)

KRES (FM 104.7)

KZZT (FM 105.5)

TV Stations:

KCTV-5 (Channel 5)

ABC-17 (Channel 17)

KOMU (Channel 8)

The information will also be available through our Owl Alert program which allows individuals to receive text alerts on your cell phone from the district. To sign up for the program, please visit our school website at <http://www.marshallschools.com/> and click on Owl Alert on the right hand side of our webpage.

We hope you and your child continue to have a great school year; it is a privilege to have the opportunity to work with such talented students. Thank you for your continued support of the Marshall Public School District.

Sincerely,

Dr. Craig W. Noah
Superintendent
